SUMMARY

Final-year Computer Science Engineering student with proficiency in Java, JavaScript, HTML, CSS, and React. Experienced in developing web applications and knowledgeable in data structures and algorithms. Skilled in creating responsive, user-friendly interfaces and solving complex programming challenges. Passionate about software development and eager to contribute to innovative projects.

EDUCATION

Kalyani government engineering college   Kolkata, India

Maulana Abul Kalam Azad university of technology(MAKAUT)   *April, 2022 – August, 2025*

CGPA-7.67

TECHNICAL SKILLS

Languages: Java, SQL, HTML, CSS, JavaScript
Frameworks: React

Database: MySQL
Developer Tools: GitHub, Git
IDE And Others: VsCode , IntelliJIdea , Eclipse
Other Skills: Data Structures , Operating System ,Object-Oriented Programming

Projects

Myntra clone project
1. Developed a responsive Myntra clone using HTML, CSS, and JavaScript.
2. Implemented product listings, filters, and a dynamic shopping cart.
3. Focused on creating a user-friendly interface with seamless navigation.
4. Ensured cross-browser compatibility and optimized performance.

Todo app
1. Developed a To-Do app using HTML, CSS, and JavaScript for managing and organizing tasks.
2. Implemented responsive design to ensure optimal usability across various devices.
3. Utilized JavaScript for dynamic task management, including adding, editing, and deleting tasks.
4. Enhanced user experience through intuitive UI/UX design and efficient DOM manipulation.

Personal portfolio
1. Created a personal portfolio using HTML, CSS, and JavaScript to showcase projects and skills.
2. Implemented a responsive design to ensure optimal viewing on various devices.
3. Developed an interactive and user-friendly interface with smooth navigation and dynamic content.
4. Integrated visual elements and animations to enhance user engagement and overall presentation.

Java projects: Budget Tracker System, Medical Store, AI riddle game

EXPERIENCE

Octanet services pvt ltd.
1. Completed an internship at Octanet services pvt ltd. in the domain of web development and designing.
2. Developed several web projects using HTML, CSS, and JavaScript.
3. Implemented responsive designs to ensure cross-device compatibility.
4. Enhanced user interfaces with intuitive and visually appealing designs.
5. Gained practical experience in front-end development and project management.

CERTIFICATIONS

Full Stack web development bootcamp with mern stack projects
